"On behalf of the Board of Directors I wish to thank Henrik Brandt for an outstanding contribution as CEO of Royal Unibrew. Henrik Brandt has headed an incredible turnaround of the company that was in serious financial disarray eight years ago. Jørgensen, the Board and I are certain that Royal Unibrew will continue the positive development as a strong regional beverage company with strengthened market positions and earnings".

"The past eight years with Royal Unibrew have been both exciting and challenging. Royal Unibrew's market position has been strengthened significantly not the least because of the talented, committed and consumer and customer centric colleagues all over the organization which I have been proud to be part of", says Henrik Brandt.

"I am impressed by the great results delivered by Royal Unibrew and they reflect the values and the culture that the employees represent. Therefore, I am of course honored to take over the responsibility, and I look forward to continuing the journey in cooperation with my new colleagues in Royal Unibrew, says Jesper B. Jørgensen.
